

Information for Parents

“Circus Makes You Strong!” – We Support Your Child in the Circus Tent

Duration: One Week

How do we support? Your child solves tasks and problems alone. We support them.

Examples:

- Throw and catch three juggling scarves at the same time.
- Build a human pyramid with three other children.
- Sit on a nail board.
- Discuss the order of your tasks with the other children.

In the week, your child learns tricks. On Friday, there is a performance with 50 to 200 spectators. You are warmly invited.

Not Just Circus is Important:

Your child learns things for school. There are exercises and discussions. Your child learns to cooperate, help, solve problems, and share needs and emotions. There are rules that all children must follow.

Circus supports your child in school

A good social environment and feeling comfortable in a class are very important. Children learn better and are more motivated. Every child is included. The children treat each other with respect and consideration.

Children are successful. They need to experience this often. Successful children learn better, persist longer, and are more open. Children need courage. They must dare.

The cost of the week

For the whole week (daily 4 hours), you pay 110 Euros. Circus Giovanni does not make money from the circus week. The costs are 220 Euros per child. Intensive supervision (about 1 adult for 4 children), expensive equipment (e.g., trapeze, mats, tightrope system, light and sound system, etc.), props, and a heating system are the reasons.

We are supported. The Adalbert-Raps Foundation and the Circus Giovanni Foundation support the project. The participation fee is therefore 50 percent less (110 Euros).

Too Expensive? Here's How to Get Financial Support

All children should participate. If you receive benefits like **housing allowance, child benefit supplement, SGB II, SGB XII, or AsylbLG**, then you can apply for "Education and Participation Benefits". Then 100% of the costs are covered. The responsible offices for the application are:

District of Bamberg:

- Recipients of **SGB II, SGB XII, or AsylbLG**: **Job Center District of Bamberg**
- Recipients of **housing allowance, child benefit supplement**: **District Office Bamberg**

City of Bamberg:

- Recipients of **SGB II, SGB XII, or AsylbLG**: **Job Center City of Bamberg**
- Recipients of **housing allowance, child benefit supplement**: **City of Bamberg**

Applications:

You can find the applications here:

www.zirkus-giovanni.de/antrag

Please contact the teacher and us. We will find a solution together! Every child gets a place.
